

## Golf holidays in the Caribbean

We know you're secretly a wannabe Tiger Woods or Michelle Wie and you're just itching to tee off on a golf holiday and score a hole in one. But have you thought about **golfing in the Caribbean**? Beautifully landscaped courses and incredible scenery make it the ultimate spot for a **golf holiday**.

Golf holiday

Days of sunshine on your **golf holiday** mean you'll spend the 19th hole relaxing outdoors with a rum punch instead of sheltering from the rain in a musty old clubhouse.

### Moon Palace Golf & Spa Resort

Region: Mexico

Location: Cancun

It really is a palace, and a spectacular one at that, lying on Cancun's tranquil south shore, nestled between a long, white sand beach and 55 acres of tropical foliage.
